

## PACT & PARENT I-PAD LOAN AGREEMENT

PACT is able to provide you with an iPad due to the CARES Act which provided Head Start programs with additional funding to meet the special needs caused by COVID-19.

Our hope is you and your child can benefit from the additional access to remote and virtual learning opportunities the iPad can help provide. It will also make it easier for PACT staff to serve and connect with you. PACT staff will offer assistance you might need to have a positive experience. Please contact us if you have problems or the iPad is damaged.
