Reference Check 508-1 Form

PACT has my permission to contact and solicit information from the employers listed on the *Information on Person Employed* in a Child Care Facility form (CFS 508-1). I here by also authorize my former employers to furnish their record of my service together with all information they have concerning me whether on record or not. I also release any individual, partenership or corporation which formerly employed me, its officers, agents and employers from any liability for any damage whatsoever for issuing such information.

The Site Supervisor will contact each reference listed in the Previous Employment section of the 508-1 to inquire about work performance and whether the employee is re-eligible for hire. This form allows for 3 references to be included but additional forms may be needed. When all references (within the past 10 years) have been verified the SS will send this form(s) to the Administrative Assistant.
