

PACT
Record of Pesticides or Herbicides

Center: _____

Site Supervisor: _____

The Site Supervisor is responsible for the supervision of pesticides or herbicides used at the center. The following precaution will be followed prior to the application of pesticide:

- Parents, guardians of children enrolled at the center, and employees who are registered to be notified of pesticide application, will be notified (2 to 30 days) prior to pesticide application.
- Children will not be present at the center when pesticides are applied.
- Toys and other items mouthed or handled by the children must be removed from the area before pesticides are applied.
- Children must not return to the treated area within two hours after a pesticide application or as specified on the pesticide label, whichever time is greater.

Pest Contractor's business license number:		Contact Person:	
Name of Business & Address::		Telephone Number	
Date and Time			
Name of Pesticide or Herbicide Applied			
Signature of Exterminator			
Staff Observing the Application			
Date and how registered families and employees were notified prior to pesticide application?			

This form is posted for the licensed exterminator to record the date, time and name of pesticide used at the center and notification record. The Record of Pesticides form and notification records will be filed in the Center Safety Notebook. At the end of year, file in DCFS Health & Safety file drawer. ED 5/11
