Updated 2/2021

### 5. Increase the number of pregnant women applications to program.

Objectives	Gaps	Action Steps	Target Date	Completion Date
Design recruitment strategies that focus on pregnant women	-Have focused on pregnant teens in past, need to focus on all pregnant women. -Community assessment has data that pregnant unmarried women rates are higher than pregnant married women in Schuyler, McDonough, Adams and Cass counties.	Decide on a target number of pregnant women applications to reach each year	October 2018	10/1/18
		Implement plan to partner with school districts to provide services	August 2020	9/2019
		Ensure materials are relevant to client (teen mom, family of teen mom, etc.)	January 2019	2/1/19
		Review the possibility of increasing the number of points for pregnant women in the selection criteria.	December 2018	12/16/18 2/1/19
Implement public relations and marketing plans to reach out to pregnant women or their providers of service	-only agencies we get pregnant women referrals from is Pike Health Dept.	Review marketing plan from previous strategic plan	November 2018	
		Create a written plan for implementation of marketing to follow each year	January 2020	
Train the staff to understand how recruit and serve pregnant women	-all staff do not understand how this service works	-Train all staff on recruiting pregnant women and the services offered.	March 2019	2/15/19 3/21/19

### 6. Create and implement facility/playground improvement plan

Objectives	Gaps	Action Steps	Target Date	Completion Date
Assess each facility and create a prioritized improvement plan	<ul style="list-style-type: none"> <li>-Space is limited in most centers.</li> <li>-Inadequate meeting rooms.</li> <li>- Some centers have become run down</li> <li>- Some equipment may pose safety concerns</li> <li>- Carthage playground (3-5) not being used. Carthage EHS playground is a long walk from center.</li> </ul>	Assess each playground by age of children using it, age of equipment, and condition of equipment.	Beginning with Carthage, February 2020	
		Prioritize improvement/replacement.	March 2020	
		Continue to enhance playgrounds with natural features and plan for upkeep/maintenance		
		Inform EHS (2/3) to use older spaces for transitioning children.	PreService 2019	
Create an agency-wide priority plan	<ul style="list-style-type: none"> <li>- will need additional funds</li> <li>- Early Childhood landscape (state funding, federal funding) is changing</li> <li>- Many other agency priorities to compete with.</li> </ul>	Review facilities for needed upgrades, repairs, additions	Annually	
		Review the leases to get a bigger picture of obligations		
		Look towards the future for any possible changes (options for expansion, duration changes, conversion, etc.)		
Continue to enhance outdoor spaces to make them inviting for children and staff (natural playgrounds).	<ul style="list-style-type: none"> <li>-Funding</li> <li>-Staff not using playground consistently</li> <li>-Upkeep and repairs</li> </ul>	Create a “model” EHS and HS playground	Spring 2023	
		Create a priority list for upgrades		
		Have staff share their innovative ideas, practices.
