

My Child Ate...

<https://www.illinoispoisoncenter.org/my-child-ate>

...Poop, Diaper Rash Cream, Cannabis Edible, Cosmetics, Vaping Product, Glow Stick and More!

If a child has been exposed to a potentially harmful substance, the **"My Child Ate..."** online resource tool can save you undo stress and possibly an unnecessary ER/doctor visit by providing you with information from the poison specialists re: substance information, toxicity level, possible symptoms and most importantly, what to do.

No time to read and/or no access to internet?

Call the Illinois Poison Center helpline: 1-800-222-1222 (free, confidential and available 24/7/365!)
